(Synopsis of Preceding Chapters.) A feud exists between Colonel Stanley and Judge Stanley, wealthy Viriginiaus, over "The Diamond From the Sky," a jewel found centuries ago in a fallen meteor. To deceive his cousin, Colonel Stanley buys a gypsy baby boy, but the gypsy mother, Hagar, steals the diamond and Colonel Stanley's daughter, Esther. Blair Stanley, the Judge's son, murders Dr. Lee to steal the diamond. Arthur, the colonel's son (the gypsy changeling) fights a duel with Blair, seizes the jewel and flees. Blair manages to steal it and gives it to Vivian Marston, an adventuress. The adventuress agrees to marry Blair Stanley, but the ceremony is interrupted by Detective Blaik and Abe Bloon, the gambler who represents the syndicate which seeks the return of the great brilliant.

MANY EVENTS LISTED HERE DURNIG WEEK telegram in his hand, which read: "Esther Stanley has left for parts unknown. Tom Blake." The next morning Luke Lovell and his pal, stood looking down over the paradise of Santa Barbara to the bay. Luke's eyes were fixed on a great, white yacht riding at anchor. "A guy rich enough to own a skin like that," he growled, "can afford to buy the diamond from us." That evening the two men pulled out in a row boat. Suddenly Luke's confederate struck him down. The boat went over. A drowning man gasped in agony. And The Diamond from the sky was fast becoming the diamond beneath the sea.
